### **One News Page Announces Partnership with PR Newswire Europe**

Leading global online news portal, One News Page, has entered into an online partnership with PR Newswire, the global leader in innovative communications and marketing services. The deal will feature One News Page making PR Newswire's content available to its global audience and using PR Newswire's global online reach for its company announcements.

"PR Newswire is a global leader in the field of content distribution and engagement and its content will bring significant value to our global audience," says One News Page Founder & CEO, Marc Pinter-Krainer.

"As we continually expand our market presence, having such a beneficial partnership in place with a market leading global distribution company will help us to drive our growth."

One News Page is a highly valuable global news portal," comments PR Newswire Europe's Product Director, Bill Leask. "The value and expansive reach of One News Page's operations are in keeping with our own global vision."

One News Page Ltd was founded in 2008 and services markets in the English, German and Spanish languages across Europe, America, Asia and Australasia. In 2011 it served 14 million users.

It displays content from a plethora of sources, easily searchable in one place via its websites. The addition of PR Newswire's content has added yet more depth to One News Page's news offering across its sites.
